

# WARNING!

AZ Dept. of Juvenile Corrections to  
Close by July 2010!

- Sex offenders, murderers, home invaders and gang bangers to be released to the counties that **have no means** to incarcerate them!
- Teenage thugs will invade our neighborhoods burglarizing and assaulting our seniors, and **molesting** our children!
- Our county taxes will skyrocket in order to duplicate what Juvenile Corrections already does!
- Will waste tax dollars that were already spent to fund Juvenile Corrections, an agency that is repeatedly recognized for excellence!
